All participants will need to commit to paying the entirety of their program fees. Winter Guard is an extra curricular program, not connected to any academic class at Sprayberry High School. Unfortunately, due to budgetary limitations, the Sprayberry Band Booster Association will be unable to provide any financial assistance. All registered students are expected to pay fees in their entirety. Failure to fully fund the Winter Guard program will result in a program cuts or cancellation. We are pleased to offer a number of fundraising opportunities to help you offset costs. Please contact membership@sprayberryband.com with any questions.

Student Registration is required to secure your position in the 2023-2024 Sprayberry Winter Guard and must be completed by December 5th.

Registration will be open on the Sprayberry Band website beginning on November 27th and close on December 5th (www.sprayberryband.com/winterguard). In addition to the registration forms found online, a physical Cobb County School District permission form will need to be signed and collected. Any Sprayberry student that participated in marching band or concert registration for the 2023-24 season will not need to fill out the medical forms.

Fundraisers: Winter Guard students will be asked to participate in group fundraisers for the program. Those fundraising details will be coordinated by the Sprayberry Band Booster Association. We will be actively fundraising to help student fees and program balances. Individual student fundraising can help offset fees.

Practices: For students making the Sprayberry Winter Guard, practices will be held Mondays, Tuesdays and Thursdays from 4:30-7:30pm. The first week of practices begin on Monday, November 27th. Students must commit to the practice and performance dates to participate in the program. Calendar details are located at: www.sprayberryband.com/winterguard. Practices will be held at Sprayberry High School (Mondays) and Mt Paran Church (Tuesdays/Thursdays).
